

# Africana Studies

## Fall 2020 Course Offerings

The Africana Studies Program is an interdisciplinary program that brings together faculty from diverse Lafayette disciplines and departments who share expertise and research interests in the study of Africa and the African diaspora (communities of African descent worldwide) including African Americans. The interdisciplinary focus of the program provides students with a wide choice of courses which explore the history, cultures, and social dynamics of communities on the continent of Africa as well as dispersed communities of African descent.
